1. Introduction

The AP Vidyut Recruitment Portal (APVRP) is the common recruitment platform of the five power utilities of the Government of Andhra Pradesh – APTRANSCO, APGENCO, APCPDCL, APSPDCL and APEPDCL. Through this portal, a candidate registers once and applies for any eligible post across all five utilities, tracks the application status and raises grievances – all from a single interface.

This User Manual is a step-by-step illustrated guide that walks an applicant through the entire application journey – from creating a fresh registration, completing the profile and academic qualifications, previewing and confirming the details, selecting eligible posts and examination centres, paying the application fee online, and finally downloading the submitted application.
